Schott's Mission

The Schott Foundation for Public Education seeks to develop and strengthen a broad-based and representative movement to achieve fully funded quality pre-K to 12 public education. We invite you to learn about and get involved in ensuring that all children experience fairness, access and opportunity in quality public schools.

Schott's Vision

The Schott Foundation for Public Education wants all children to: graduate from excellent and well- resourced public schools, capable of college success and full participation in a democratic society – especially children that school systems have historically failed such as poor children and children of color.
